

## REMARKS

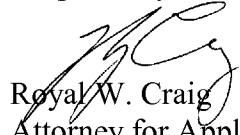

This Amendment is submitted in response to the Notice to File Corrected Application Papers (Notice of Allowance Mailed) dated 14 September 2010. The Publishing Division has cited two Non-Compliant Illustrations In Specification, and specifically cites the illustration(s) on Page(s) 39 and 40 as being inappropriately placed because they do not come within the exceptions of 37 CFR 1.58(a).

Accordingly, Applicant herein deletes the illustration(s) from the specification, and adds them back in as FIGs. 1-2 of formal drawing(s) in accordance with 37 CFR 1.84. The specification has likewise been amended accordingly to refer to the new Figures, in accordance with 37 CFR 1.74. Note also that Applicant has removed the narrative from FIG. 1 and has inserted that into the specification at the appropriate place.
